DENTAL AUTHORIZATION
EXTRACTIONS AND ANTIBIOTICS
Infortunately, tooth extractions are sometimes necessary with dental disease. Cost of the extractions vary depending on many factors
such as extent of disease and time involved in the procedure. Antibiotics may also be necessary to prevent infection after removal.
YES, I authorize any necessary extractions and/or antibiotics.
\square Check here if you would like to be contacted before any extractions.
PLEASE READ: If you are unable to be contacted and do not return the phone call within 5 minutes,
please select your wishes by initialing below
I authorize all extractions as recommended by my vet
I authorize expenditure up to this amount \$ (Complete total for EVERYTHING today)
I DO NOT authorize any extractions if I am unable to be contacted
NO, I do not consent to any extractions.
FULL MOUTH DENTAL RADIOGRAPHS
Taking full mouth dental radiographs (X-rays) is a good way to screen for any problems that may be developing. X-rays can also be
nelpful when making the decision on whether or not to extract and helps identify any roots that may be left behind.
YES, I would like my pet to have full mouth dental radiographs (\$185)
I would only like a radiograph if the doctor feels it is necessary (\$37 per X-ray / maximum of \$185)
NO, I do not authorize any radiographs.
DENTAL SEALANT
deally, your pet's teeth should be brushed on a daily basis. However sometimes this is not an option. Dental sealant involves an initial
application immediately after the cleaning and then should be followed by weekly applications at home.
YES, I want my pet to have dental sealant and the take home kit for reapplication (\$83)
NO, I do not want dental sealant.
No, i do not want dental scalant.
